FIG. 4

FIG. 5 is a schematic diagram of a television screen showing a program guide. The screen is divided into a top section and a bottom section. The bottom section contains a horizontal bar with three elements: a logo, a program listing, and a TV Guide icon. The logo is labeled 51, the program listing is labeled 52, and the TV Guide icon is labeled 55. The program listing shows '5 KPIX (10:00-11:00)' and 'Price Is Right'.

Cubans use Vitamins to combat epidemic

Geneva - A costly campaign to provide vitamins to all Cubans has helped curb a mysterious epidemic that has afflicted thousands with vision problems, a World Health Organization official said yesterday.

The outbreak of optical neuritis has dimmed the vision of about 20,000 Cubans and a related malady has affected 6,000 other people, mostly women.
